~~the explanation's substance by the members of the general assembly.~~

~~— GENERAL. This bill amends the "Uniform Limited Partnership Act" (Code chapter 488) and the "Revised Uniform Limited Liability Company Act" (Code chapter 489). Both Code chapters are administered by the secretary of state.~~

~~— AMENDMENTS TO THE UNIFORM LIMITED PARTNERSHIP ACT. When referring to a limited partnership's place of business and person specified to receive service of process, the bill changes the name "designated office" to "registered office" and the name "agent for service of process" to "registered agent for service of process" or "registered agent".~~

~~— AMENDMENTS TO REVISED UNIFORM LIMITED LIABILITY COMPANY ACT. The bill makes changes relating to the information required to be included in a certificate of existence issued to a domestic limited liability company or certificate of authorization issued to a foreign limited liability company. Information required to be included in a certificate is combined into one provision for both domestic and foreign companies. The bill also makes changes relating to the information required to be included in an application for a certificate of authorization, including the limited liability company's date of formation and its principal officers. Its certificate of existence filed in the other state or country accompanying the application must be dated no earlier than 90 days prior to the date of application.~~

~~— BACKGROUND. A limited partnership and a limited liability company are unincorporated entities that are organized ("formed"), operate, may have perpetual duration, and provide a measure of protection from liability to its investors under state law. In order to form either type of entity in this state, an organic document must be filed with the secretary of state. In the case of a limited partnership, the document is referred to as a certificate of limited partnership and in the case of a limited liability company, it is referred to as a certificate of organization (Code sections 488.201 and 489.201). The secretary of state issues a certificate of good standing to each type of entity. For a "domestic" entity formed under Iowa law, the document is referred to as a certificate of existence and for a "foreign" entity formed under another jurisdiction's law, it is referred to as a certificate of authorization (Code sections 488.209 and 489.208).~~
